

## **FINAL PETER PROJECT CONFERENCE FOR SPAIN**

The final conference for the EU Framework 6 PETER Project ([www.eu-peter.org](http://www.eu-peter.org)) into food traceability will be held in Torremolinos, near Malaga, Spain, on Friday, April 25.

PETER (Promoting European Traceability Excellence and Research) has been a two year project designed to bring together the many strands of research into traceability in the food and feed supply chains financed by the EU. The conference will summarise its findings and present recommendations for further action.

The PETER conference will run alongside that of the 4<sup>th</sup> Annual Meeting of the TRACE project being held at the same venue from April 23 – 25.

To register for both the PETER and TRACE conferences please visit [www.trace.eu.org](http://www.trace.eu.org) which also carries details of the venue and accommodation packages.

Please note : there is no registration fee for the PETER conference and TRACE delegates also receive automatic free registration.
